

**South Central Community Action Agency, Inc.**

**(SCCAA)**

**Community Services Block Grant (CSBG)** - CSBG is a block grant used to provide a range of services or activities designed to ameliorate the causes and effects of poverty. Such activities include attaining an adequate education, securing and retaining employment, nutrition, making better use of available income, obtaining and maintaining adequate housing, health services, and achievement of self-sufficiency, community affairs, transportation and so forth. Through Community Action Agencies (CAAs) and Human Resource Agencies (HRAs), the Division of Community Services distributes CSBG funds to garner local resources and stimulate community participation into opportunities for self-sufficiency using the case management approach.
